Waves Planning

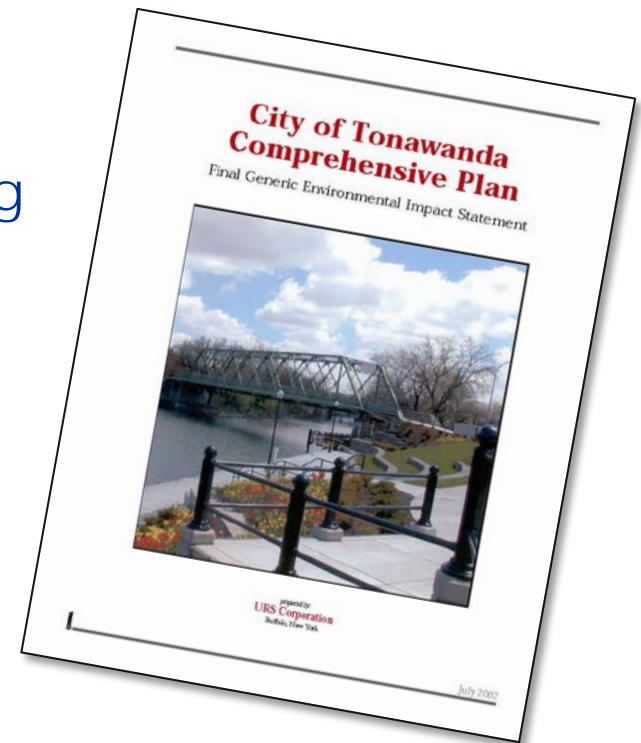

What is a Comprehensive Plan anyway?

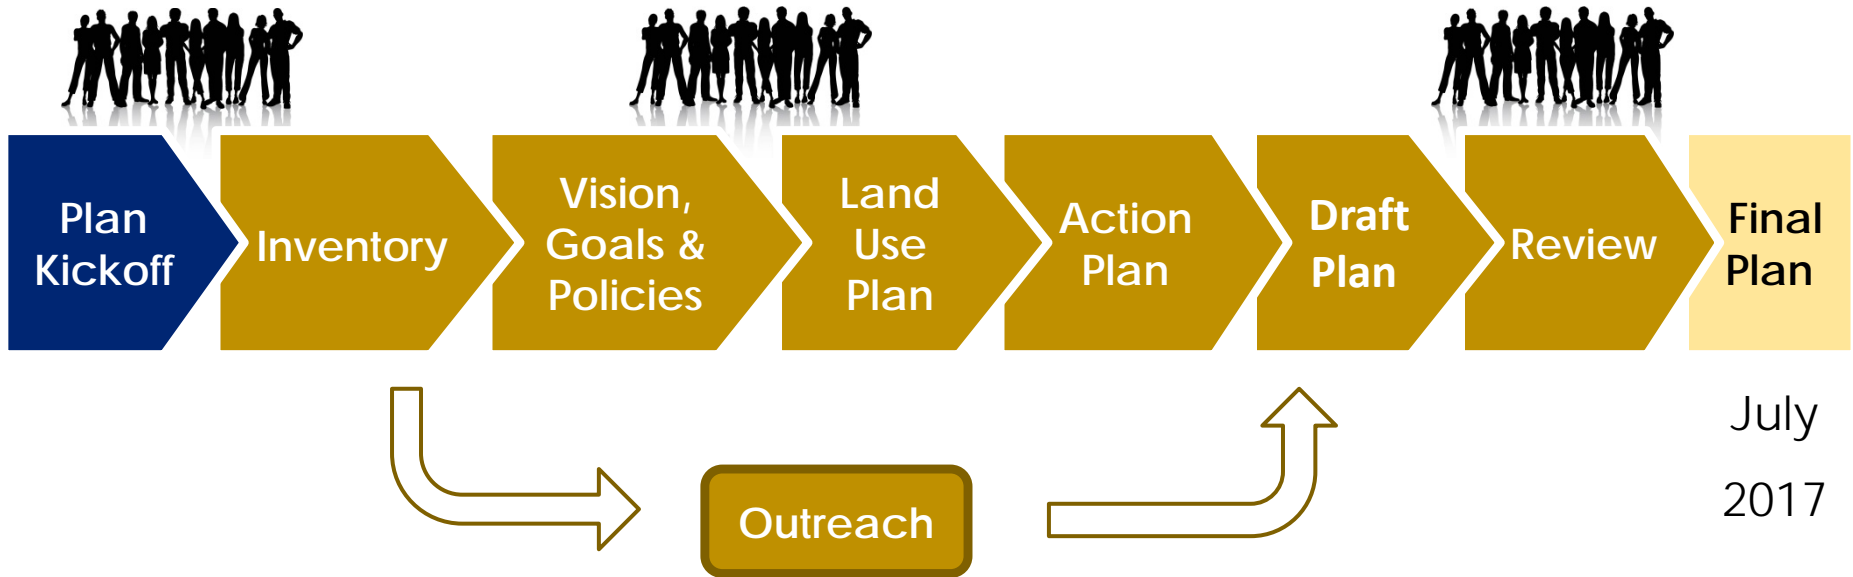

- A future vision and policy guide for the City ("framework")
- Looks at the entirety of the City
 - *Transportation, environment, land use, zoning, community services, quality of life, economic development, etc.*
- Community-supported document (values into action)
- 10-20 year timeframe

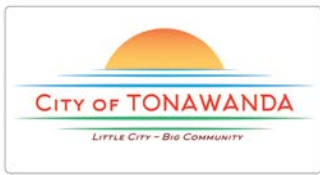

So why now??

- Last plan was done in 2002
- Revisit with fresh eyes
- City is being progressive with planning
 - *Proactive, not reactive*
 - *LWRP / Waterfront Plan underway*

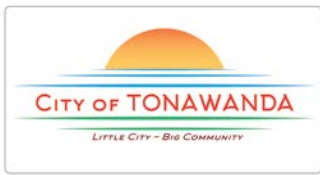

Basic Plan Elements

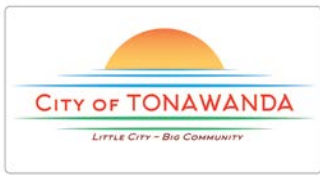

- Existing Conditions (LWRP as starting point)
- Vision & Guiding Principles
 - Built & Natural Environment
 - Community Life
 - Transportation & Mobility
 - Parks & Recreation
 - Economic Development
- Goals & Policies
- Action Items
- Implementation Plan

What's been done so far?

- Steering Committee kickoff
- Brainstorming
- Project branding
- Website / Facebook
- Draft vision
- Identify outreach / communication

Draft Vision Statement

“Tonawanda is a historically rich waterfront community in the Buffalo Niagara Region where the Erie Canal meets the Niagara River. We engage with our residents, businesses, schools and community leaders and look ahead to make our neighborhoods and businesses vibrant. By capitalizing on our assets, both natural and man-made, we strive to be a sustainable City, a community for a lifetime.”

Focus Groups

- Key areas to gather more detailed background
 - *Neighborhoods & Housing*
 - *Downtown/Small Business*
 - *Industry*
- Developers Summit
